IRG Physical & Hand Therapy Raises \$25,000 for Local Children's Programs
IRG Physical & Hand Therapy Hosts Fifth Annual Charity Golf Tournament Benefitting Everett's Imagine Children's Museum and Children's Services at the Providence General Foundation

EVERETT, WASH., August 8, 2022: IRG Physical & Hand Therapy welcomed 170 guests to the Everett Golf and Country Club for the organization's annual charity golf tournament on Monday, August 8, 2022. This marks the company's fifth annual event, which raises funds to support local children's programs within Snohomish County. This year's tournament raised \$25,000 in benefit of the Imagine Children's Museum and children's services at the Providence General Foundation.

More than 30 IRG staff members produced this event in partnership with over 25 local businesses. Tournament play included gifts for all participants, a sit-down dinner, beverages, several raffle prizes, and both a silent and live auction. Bonus competition packages included entry into a putting contest, mega putt contest, closest to pin, longest drive, and an extra mulligan.

Of the funds raised from the golf tournament, Jennifer Coyle, manager of special events at Providence General Foundation, said, "We are so grateful for IRG and all of those who participated in the tournament, for helping to provide life-changing care for the infants and children here at Providence. This support could not have come at a more critical time."

IRG Physical & Hand Therapy President & CEO Shannon O'Kelley is committed to the annual tournament, especially these last few years. He said, "We are excited to be raising money for the Imagine Children's Museum and children's services at the Providence General Foundation. I think we can all agree that this pandemic has been hard on families, and particularly, our children. Now more than ever, our families and children need our help."

IRG Physical & Hand Therapy plans to hold their sixth annual charity golf tournament in the summer of 2023. Those interested in making a donation to benefit the Imagine Children's Museum and children's services at the Providence General Foundation can learn more at IRGPT.com/golf.
