

## IRG Physical Therapy - Marysville

At IRG Physical Therapy - Marysville that sense of family and care is evident. Although a relatively new clinic that opened in 2012, the conveniently located IRG clinic offers full service rehabilitation for individuals of any age and ability. The sense of family and camaraderie is clear among the highly trained staff that use a wide variety of experience, tools and techniques to get you back to your optimal lifestyle.

Marysville, Washington is the second largest city in Snohomish County. In recent years, it has been recognized as the fastest growing city in the state of Washington. This family-friendly community offers plenty of parks, recreational opportunities and affordable living. The family oriented style of living exemplified by Marysville residences is a demonstration of the environment you will see in all corners of Marysville. We're proud to call this community home, and to keep it's residents of all ages active.
