

Amy LaBorda

PT, DPT, Clinic Director | Marysville - Smokey Point

"I love working with a variety of patients, empowering them with knowledge and skills so they may be able to return to a full, active life."

Amy understands how important it is to enable patients to return to and maintain healthy, active lifestyles. While outside of the clinic, she keeps busy with a herd of animals at home and stays involved in community charity events. Her investment in her patients and her community help Amy achieve positive outcomes for her patients.
