

Kendra Frey

DPT, PT | Marysville - Smokey Point

"My goal as a Physical Therapist is to provide direct one-on-one patient care, treating all patients as individuals. Working together with the patient in their rehabilitation process allows for achievement of clinical and personal goals."

Kendra Frey knows that direct one-on-one patient care is a key component to helping patients achieve their goals. From exploring the outdoors and crafting with her family, Kendra understands how important it is to have your body working its best.
