

Maria Pinon

PT | Marysville - Smokey Point

"I do my best to provide individualized treatment for each patient, guiding them back to their highest functional level and creating a new and healthier lifestyle. Seeing each step of their progress and providing confidence and assurance is very rewarding."

Originally from the Philippines, Maria enjoys snow-capped mountain views, gardening, and exploring the PNW with her two dogs. Maria is committed to helping her patients appreciate a healthier lifestyle with more function and less pain.
